DETAILS & AVAILABLE COLOURS

The ONEGA collection is a combination of softness, delicacy and very good technical parameters.
The fabric is distinguished by its original structure in the form of interconnected balls, which give it a unique look and visual effect. The subtle shine and shading effect with the hair also attract attention. The fabric is perfect for combination with smooth velvets. ONEGA additionally shows PET FRIENDLY animal-friendly properties and has WATER REPELLENT technology, which makes it difficult for liquids to penetrate the fabric. The fabric will perfectly fit into various interior styles. It will be used in classic and modern interiors, giving them an extraordinary character.
