DETAILS & AVAILABLE COLOURS

PERLA is a unique upholstery fabric that harmoniously combines the delicacy of chenille yarn with the modern, stylish structure of corduroy. This unique combination makes the PERLA upholstery material fit perfectly into the latest interior design trends, offering elegance and sophistication in every detail. Matte yarn, which is a key element of this furniture fabric, combined with pastel shades, gives it a subtle and elegant character. It perfectly matches various interior design styles - from modern to more classic interiors. Thanks to its delicate structure and smooth finish, the PERLA upholstery fabric introduces coziness to the interior, while giving it a unique, luxurious look.
