DETAILS & AVAILABLE COLOURS

RETRO BLISS fabric is a perfect combination of velour softness and interesting, expressive structure. RETRO BLISS is soft and pleasant to the touch, and at the same time durable and strong. The unusual texture combined with melange colors gives it a three-dimensional effect. All these features make RETRO BLISS ideal not only as furniture upholstery, but also as a material for stylish accessories that will give a unique character to any interior decorated in a retro style, i.e. referring to interior design trends prevailing in the recent past.
