DETAILS & AVAILABLE COLOURS

TORONTO upholstery fabric is a stylish upholstery material that stands out with its subtle melange effect and tight, regular weave. The collection is exceptionally pleasant to the touch, and at the same time extremely durable, which makes it an ideal choice for upholstery. Thanks to the advanced WATER STOP technology, the fabric is easy to keep clean, which is an additional advantage in everyday use. TORONTO is perfect as a furniture fabric for upholstering various pieces of furniture, such as sofas, armchairs or pouffes. It is also perfect for stylish and designer upholstery accessories. Its subtle melange and thin, regular weave add character to each piece of furniture, creating a unique visual effect. A wide range of colours, maintained in subdued and expressive shades, allows the use of this fabric in various interior design styles, from classic to modern.
